ELIAP News

For Members & Associates

VOLUME : XXIII

ISSUE : June 2005

from the President's Desk

Dear Members,

I am happy to note that members started taking more interest in the programmes organized by the Association and also their active interaction on various issues.

As informed in the last issue, Govt. of A.P. has released G.O.Ms.No.11, dated: 21.03.2005 on the IT&C Policy for the period 2005-2010. Hon'ble Chief Minister has announced on number of occasions about the Govt's commitment for encouraging the hardware industry along with IT&ITES industry. Accordingly the policy provides for all incentives suggested by ELIAP for the hardware industry.

In the recent bureaucratic reshuffle, we are fortunate to have Smt.K.Ratna Prabha, IAS taking charge as Secretary, IT&C in place of Dr.J.C.Mohanty, IAS. As Development Commissioner, VEPZ (now VSEZ) and OSD, APIIC, Vizag, she brings lot of experience in the area of setting up of Electronic Hardware Park / SEZ and ELIAP's first interaction with her is very encouraging. I wish to place on record the excellent rapport, we had with Dr.J.C.Mohanty who was always forthcoming in helping promotion of Electronic Industries in the State.

As per our request, the President and Secretary of ELIAP are included as members of the Consultative Committee on IT Industry (CCITI) which is the approving body for allotting land and other incentives for IT&C industry.

We wish to move fast in setting up of SEZ near International Airport for Electronic manufacturing industry (product specific) in about 1000 Acres. The Association has already collected the requirement from 25 companies who wish to start operations in the proposed SEZ. Other members interested can send their requirement at the earliest in the format provided by the Association and also obtain the details of the scheme.

With the introduction of VAT w.e.f. 1st April, 2005 and the experience gained in complying with the scheme, members may send their problems to the Association so that a collective approach can be made for interaction with Commercial Tax Department. Any amendments in the Act will be brought out after 30th June only.

Other activity the Association is involved is with respect to Industry-Institute Co-operation and joint promotion of electronic clusters in association with NSIC. I appeal to members to take interest in these activities which are beneficial to them.

ELIAP delegation meets the Secretary, IT & C Government of A.P.

On 2nd June 2005, a five member ELIAP delegation led by Mr. L. Satyanarayana, President, and consisting of Mr. G.Srinivasa Rao, Hon. Secretary, ELIAP, Mr. Ramesh Datla, Past President, Mr. R. Venkatraman, Past President and Mr. D.Venkata Rao, A.O. met Smt. K.Ratna Prabha, I.A.S., Secretary to Government, Information Technology and Communications Department. Mr .L. Satyanarayana, President ELIAP formally welcomed the new IT &C Secretary with a bouquet .The delegation apprised her about the ELIAP, strength's of Electronic Industry in Andhra Pradesh and discussed about the facilities and promises of the government on Hardware Park.

The delegation requested the Secretary IT & C to consider allotment of land for the Electronic Industries within the International Airport or attached to International Airport and declare it as SEZ.A letter was handed over by the President in this regard.

Smt. Ratna Prabha assured the delegation that she would personally visit the Hardware Park and examine the facilities. Smt. Ratna Prabha visited the Hardware Park on 7th June, 2005 along with APIIC and representatives of ELIAP. Further she assured that she would forward the proposals to the Government about the SEZ Hardware Park.

29th CCITI Meeting

The 29th Consultative Committee On Information Technology Industry (CCITI) meeting was held on 2nd June 2005 at the IT conference hall, at A.P. Secretariat. The Meeting was chaired by Smt. K. Ratna Prabha, I.A.S., Secretary to Government, IT & C Department. Mr. L.Satyanarayana, President, and Mr. G.Srinivasa Rao, Hon. Secretary ELIAP attended the meeting. The Committee considered the applications for power subsidies and land allotments at Hyderabad and Vishakapatnam for approval and other issues related to IT and ITES Industries. The Committee has also met earlier on 13-4-05, 23-4-05 and 9-5-05 for the similar purpose.
